6. The function of most advertising is not to persuade people to try your product, but to persuade them to use it more often than other brands in their repertoire. 7. What works in one country almost always works in other countries. 8. Editors of magazines are better communicators than advertising people. Copy their techniques. 9.

This book is similar in content to Ogilvy's other masterpiece, "Ogilvy on Advertising", but with more emphasis on the sales aspects of the advertising business. "Confessions" is also more autobiographical. Ogilvy's stories about his background, building his agency, and dealing with clients are fascinating.
