Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for Kâ€™12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...

What is the Core Knowledge Sequence? Educational excellence and equity require a coherent, cumulative, knowledge-based curriculum. This basic principle inspired the Core Knowledge Foundation to undertake the

long process of research and consensus-building that led to the development of the Core Knowledge Sequence, the blueprint for knowledge-based schooling.
