Research has shown that managers can take four measures to help employees thrive at work. All four are necessary to promote a culture of vitality and learning.

Creating Sustainable Performance - Harvard Business Review

Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts

interact with each other in multiple ways, culminating in a higher order of emergence ...
