Program Alignment Worksheets - Macmillan/McGraw-Hill

I have been doing cross-curricular for years and it does build a great connection between your program and the regular ed programs. I try to create at least two projects a year, per grade level that connects somehow to what the students are learning in their general ed class .

Tying it All Together: A Short Guide to Cross-Curricular

Cross-Curricular Teams. It is time for teachers to collaborate. Teachers must take the first stroke and swim across the hall and start a collaboration with another teacher from a different department. For elementary teachers, work with other grade level teachers and dive into the math and science books, for example,...
