4. Your project management team includes two external consultants each from a different company. You found that repeated conflicts between the two consultants already slow down project progress and jeopardize achievement of objectives.

## **Test time: 00:00:50 - Total test time: 90 Min.**

Project-based learning (PBL) is a student-centered pedagogy that involves a dynamic classroom approach in which it is believed that students acquire a deeper knowledge through active exploration of real-world challenges and problems. Students learn about a subject by working for an extended period of time to

investigate and respond to a complex question, challenge, or problem.
