Succession planning and leadership development ought to be two sides of the same coin. So why do many companies manage them as if they had nothing to do with each other?

## **Developing Your Leadership Pipeline - Harvard Business Review**

Leadership is actually a process, not a position. "You don't have to hold a formal leadership role to be a leader." Good leadership is the use of key skills and practices correctly applied at the "right time to help the organization reach its highest potential." The good news is that leadership skills can be learned and improved. Throughout this course, we'll explore specific strategies ...
