144 World Economic Situation and Prospects 2014 In parts of the analysis, a distinction is made between fuel exporters and fuel importers from among the economies in transition and the developing ...

Country classification - Welcome to the United Nations

The HDI simplifies and captures only part of what human development entails; it does not reflect on sustainability, inequalities, poverty, empowerment, etc. The 2016 Human Development Report introduced a set of dashboards including Sustainable Development Dashboard which focuses on sustainability in the environmental, economic and social realms. The HDI, when supplemented with data from ...

Human Development Reports | United Nations Development

Local Economic Development (LED) is an approach to economic development, of note in the developing world that, as its name implies, places importance on activities in and by cities, districts and regions. This involves added micro-economic measures at the local level to complement macro-economic measures at the national level.

Local economic development - Wikipedia

This publication highlights new evidence on policies to support job creation, bringing together the latest research on labour market, entrepreneurship and local economic development policy to help governments support job creation in the recovery. It also includes a set of country pages featuring, among other things, new data on skills supply and demand at the level of smaller OECD regions (TL3 ...
