In this Article: Getting Prepared Documenting and Interpreting Your Dreams Community Q&A 11 References  
Dreams are mysterious. There are a number of theories about why we dream, but no one knows for sure which idea is right, or whether each is right to some degree. A dream journal can be a memory-jogger and an incredible source of insight into your inner world.

A dream is a succession of images, ideas, emotions, and sensations that usually occur involuntarily in the mind during certain stages of sleep. The content and purpose of dreams are not fully understood, although they have been a topic of scientific, philosophical and religious interest throughout recorded history. Dream interpretation is the attempt at drawing meaning from dreams and ...

We all know that life of business is very long but on the end of every financial year, accountant makes final accounts. When next financial year is started, accountant writes one journal entry in the beginning of every financial year in which he shows all the opening balance of assets and all the liabilities include capital. Then that journal entry is called opening journal entry.
