A dream is a succession of images, ideas, emotions, and sensations that usually occur involuntarily in the mind during certain stages of sleep. The content and purpose of dreams are not fully understood, although they have been a topic of scientific, philosophical and religious interest throughout recorded history. Dream interpretation is the attempt at drawing meaning from dreams and ...

We are all beaten over the head that we should always follow our dreams, always pursue our passions, always turn reality into what we believe will make us happy. Most marketing and advertising is based on this. The majority of the self-help industry pushes this. And with the rise of Tim Ferriss and "lifestyle design" obsession of this generation, it has become a borderline religion.
