Economic philosophy economic foundations and political

Philosophy of economics is also concerned with the ways in which ethical values are involved in economic reasoning—the values of human welfare, social justice, and the tradeoffs among priorities that economic choices require.

Philosophy of Economics - University of Michigan

On the Foundations of Hysteresis in Economic Systems. In the case of unemployment, distinctive features of labor markets, such as social norms that rule out wage-cutting in the face of rising unemployment, imply that increases in unemployment have a direct impact on the “natural” rate of unemployment (Blanchard and Summers, 1988, p. 15).

On the Foundations of Hysteresis in Economic Systems

Economic Philosophy : Economic Foundations and Political

Knowledge grows by this evolutionary process.³ Evolutionary economics is the study of the mechanisms by which this occurs. Adam Smith: inventor of economic evolution. It was Adam Smith who first generalised this in a way that was later to underpin economics.

EVOLUTIONARY ECONOMICS AN INTRODUCTION TO THE FOUNDATION

Thus, for Cairns, contrary to the physicist, “the economist starts with a knowledge of ultimate causes” (1857/75, p.50). So confidence in economic theory results from the confidence its assumptions inspire, a particular kind of confidence, as it is put in the following characteristically deductivist assertion: (T6).

Economics and Economic Justice First published Fri May 28, 2004; substantive revision Thu Nov 17, 2016 Distributive justice is often considered not to belong to the scope of economics, but there is actually an important literature in economics that addresses normative issues in social and economic justice.

Economics and Economic Justice (Stanford Encyclopedia of

An economic ideology distinguishes itself from economic theory in being normative rather than just explanatory in its approach. It expresses a perspective on the way an economy should run and to what end, whereas the aim of economic theories is to create accurate explanatory models .
