ecstasy or religious trance pdf

Religious ecstasy is a type of altered state of consciousness characterized by greatly reduced external awareness and expanded interior mental and spiritual awareness, frequently accompanied by visions and emotional (and sometimes physical) euphoria.. Although the experience is usually brief in time, there are records of such experiences lasting several days or even more, and of recurring ...

Religious ecstasy - Wikipedia

A religious experience (sometimes known as a spiritual experience, sacred experience, or mystical experience) is a subjective experience which is interpreted within a religious framework. The concept originated in the 19th century, as a defense against the growing rationalism of Western society. William James popularised the concept.. Many religious and mystical traditions see religious ...
