The name "South Africa" is derived from the country's geographic location at the southern tip of Africa. Upon formation, the country was named the Union of South Africa in English, reflecting its origin from the unification of four formerly separate British colonies. Since 1961, the long form name in English has been the "Republic of South Africa".

Albany has been a center of transportation for much of its history. In the late 18th and early 19th centuries, Albany saw development of the turnpike and by 1815, Albany was the turnpike center of the state. Simeon De Witt developed a grid block system in 1794, and renamed streets that had honored British royalty, using names of birds and mammals instead.
