Generation Z or Gen Z, also known by a number of other names, is the demographic cohort after the Millennials (Generation Y). There is no precise date for when Generation Z begins, but demographers and researchers typically use the mid-1990s to mid-2000s as starting birth years.

### **Generation Z - Wikipedia**

A generation is "all of the people born and living at about the same time, regarded collectively". It can also be described as, "the average period, generally considered to be about thirty years, during which children are born and grow up, become adults, and begin to have children of their own". In kinship terminology, it is a structural term designating the parent-child relationship.

There wouldn't be much of a need for continuous counting, since we could rest assured that the national debt we are immorally laying on the backs of future generations will once again more than double over the next 8 years to 40 trillion dollars, if the same elite group of Masters continue to rule over and oppress their hapless victims that live on American plantations.

### **NATIONAL DEBT CLOCK**

The Millennial generation is forging a distinctive path into adulthood. Now ranging in age from 18 to 33 1, they are relatively unattached to organized politics and religion, linked by social media, burdened by debt, distrustful of people, in no rush to marryâ€” and optimistic about the future ...
