

introduction to genetic analysis pdf

Excerpt. True to its title, the theme of this book is genetic analysis. This theme emphasizes our belief that the best way to understand genetics is by learning how genetic inference is made. On almost every page, we recreate the landmark experiments in genetics and have the students analyze the data and draw conclusions as if they had done...

Introduction to Genetic Analysis PDF. The book itself is also poorly organized. For example, the first chapter is a dirty run through of DNA, structure, meiosis, and very basic proteins like helicase and ligase (not specific at all, a middle school kid should know these things). The next few deal with problems.
