A style guide (or manual of style) is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization, or field. (It is often called a style sheet, though that term has other meanings.). A style guide establishes and enforces style to improve communication. To do that, it ensures consistency within a document and across multiple ...

Definition. Stream of consciousness is a narrative device that attempts to give the written equivalent of the character's thought processes, either in a loose interior monologue (see below), or in connection to his or her actions. Stream of consciousness writing is usually regarded as a special form of interior monologue and is characterized by associative leaps in thought and lack of some or ...
