

record collector rare record pdf

Record Collector is a British monthly music magazine. It distributes both within the UK and worldwide. It started in 1979.

Record Collector - Wikipedia

A phonograph record (also known as a gramophone record, especially in British English, or record) is an analog sound storage medium in the form of a flat disc with an inscribed, modulated spiral groove. The groove usually starts near the periphery and ends near the center of the disc. At first, the discs were commonly made from shellac; starting in the 1950s polyvinyl chloride became common.

Phonograph record - Wikipedia
