The Leader's Guide to Storytelling: Mastering the Art and

Storytelling predates writing. The earliest forms of storytelling were usually oral combined with gestures and expressions. In addition to being part of religious rituals, some archaeologists believe rock art may have served as a form of storytelling for many ancient cultures. The Australian aboriginal people painted symbols from stories on cave walls as a means of helping the storyteller ...

Build your skills with online courses taught by expert instructors. Studies show that students using Storybird can improve their reading and writing proficiency by up to 3 grade levels in less than one year.

Storybird - Artful Storytelling

Organizational storytelling is a concept in management and organization studies. It recognises the special place of narration in human communication, making narration "the foundation of discursive thought and the possibility of acting in common." This follows the narrative paradigm, a view of human communication based on the conception of persons as homo narrans.
